

The **FIRST** directory of social enterprises and support organisations in Nottinghamshire is being launched at a venue near you **SOON!**

The directory is your guide to the businesses that are making a real difference in their communities, as well as providing information on the various organisations which provide support to the sector.

Pick up your **FREE** copy of the directory and take the opportunity to network with other social enterprises and advisers over a free buffet lunch at one or more of the events (see overleaf for details of venues and dates).

You can even have your own stall to promote your organisation, but hurry, space is limited!
